

FREQUENTLY ASKED QUESTIONS

Q: Is everything 100% vegan?

A: Yes, it's not too good to be true! Being 100% vegan means no dairy, no eggs, no animal by-products at all.

Q: Does nut-free included all peanuts and tree nuts?

A: Yes, we are a 100% nut-free facility, including peanuts and tree nuts.

Q: Do you deliver?

A: Delivery is currently only available for large orders. For individual inquiries, come visit us at the Bake Shoppe to see if we can accommodate your request, or give us a call at 905 303 1073.

Q: Do you have a calorie count per item?

A: No, we do not have a registered nutritionist to count calories on our products.

Q: Can you do a sulphite-free custom cake?

A: Yes! Most sulphites are found in preservatives and we are a preservative-free facility. Please inquire about custom cakes by coming into the Bake Shoppe for a consultation or filling out our custom cake form online.

Q: Do your products contain legumes?

A: Yes, the majority of our products contain flours that use a legume base. There is pea protein in our vegan cheese and chickpea flours used in some of our bakery items.

Q: Do you have an ingredient list for all of your products?

A: No, we do not provide ingredient lists for proprietary purposes. For individual inquiries, come visit us at the Bake Shoppe to see if we can accommodate your request, or give us a call at 905 303 1073.

Q: Are all of the products yeast-free?

A: No, not all of our products are yeast-free.
